Slow & Easy Belgian Wheat Ale (16oz)

In the late 1800's rafts containing up to 11,000 cubic feet of lumber floated down the Susquehanna River en route to sawmills in Marietta. Almost every rock and projection along the way had a name familiar to the raftsmen. Slow and Easy was one of them. After a long day, remember to take it "slow and easy" Coriander, sweet orange peel and Saaz hops create this crusher.

ABV: 5.6% | IBU: 14.8 | SRM: 10.6

Hidden Treasure Belgian Golden Strong (ON DECK)

In 1778 James Rankin allegedly buried a hoard of gold and silver in Springettsbury Township before being arrested and jailed in Yorktown as a "traitor." He escaped from jail, fled to England and his stash was never found ...until now. You may find that the treasure's been found in the hand of the "beer-holder." East Kent Golding hops and fruity esters from the Belgian golden yeast produce a clean bright flavor.
